

NSS REPORT FOR THE ACADEMIC YEAR OF 2024-2025
P. R. THAKUR GOVERNMENT COLLEGE
Thakurnagar, North 24 Parganas

Introduction : The NSS unit of P. R. Thakur Govt. College has successfully completed its 10th Year in 2025. Since its inception in the year 2016, both the students and faculty members have taken part actively in various activities including blood donation camp and various social activities in the adopted village. During this ten years span NSS UNIT of this college has become strong from vulnerable and conscious from ignorant. Students have acquired the ability to lead both mentally and physically.

Message from Officer-in-Charge : Professor Swapan Sarkar, Officer-in-Charge of this college, motivated both the students and faculty members to take part in the NSS Activities. He himself took initiative in various activities including planting saplings in the campus. After planting trees throughout the year, he himself visits those areas fortnightly where those plants are sown to note the growth of the newly planted saplings. He supported the NSS team to grow an Ayurveda garden inside the campus. The Officer-in-Charge encountered the students and faculty members by saying that “In order to become a leader one needs to have a command and control over one’s language, behavior and conduct. Anyone who has such qualities is capable of leading any movement”.

Details of activities : During this academic year (2024-2025) P. R. Thakur Govt. College has organized Special Camp and regular activities.

Regular Activities :

1. Event Name: Observation of International Yoga Day Event Date: 21.06.2024 Event Description: Organized by: National Service Scheme (NSS) Unit, P. R. Thakur Government College.
2. Event Name: Ye Dewali with MY BHARAT: Traffic Traffic Volunteering and related Awareness. Event name – Traffic volunteering Event Date - 28/10/2024 Event place - Thakurnagar Railway Station Bazar
3. Event Name: Ye Dewali with MY BHARAT: Market Cleaning and related Awareness. Event name - Market cleaning Event Date - 28/10/2024 Event place - Thakurnagar Railway Station Bazar
4. Event Name: জাতীয় ভোটার দিবস – ২০২৫ [National Voters’ Day, 2025] Event Theme: With the help of various technologies, it will be possible to make the election process more transparent to everyone. Date: 09.12.2024
5. Event Name: 163rd Birth Anniversary of Swami Vivekananda named as National Youth Day 2025. Partner Name: Ministry of Youth Affairs and Sports, Government of India. Date : 13.01.2025.
6. Event Name: 128th Birthday of Netaji Subhash Chandra Bose. Event Date: 23.01.2025. Event Time: 10.00 AM Onwards.

Event Name: Observation of International Yoga Day

Event Date: 21.06.2024

Event Description:

Organized by: National Service Scheme (NSS) Unit, P. R. Thakur Government College.

Objective:

To commemorate International Yoga Day and promote the importance of yoga for physical, mental, and emotional well-being.

Program Highlights:

1. Yoga Session: A mass yoga session was conducted, where over 45 participants performed various yoga asanas and pranayama exercises.
2. Guest Lecture: A renowned yoga expert delivered a lecture on the benefits of yoga and its significance in modern life.
3. Demonstration and Workshop: A yoga demonstration and workshop were conducted, where participants learned various yoga techniques and practices.

Impact and Outcomes:

1. Promoting Yoga Awareness: The event raised awareness about the importance of yoga and its benefits for physical, mental, and emotional well-being.
2. Encouraging Healthy Lifestyle: The event encouraged participants to adopt a healthy lifestyle and make yoga a part of their daily routine.
3. Stress Relief and Relaxation: The yoga session provided a platform for participants to relax and relieve stress.
4. Community Engagement: The event fostered community engagement and participation, promoting a sense of social responsibility and civic engagement among participants.

Chief Guest's Message:

"The practice of yoga is a journey, not a destination. It's a way to connect with our inner selves, to cultivate awareness, and to promote overall well-being. I encourage all of you to make yoga a part of your daily lives and to experience its transformative power."

Conclusion:

The NSS Yoga Day celebration was a successful event that promoted the importance of yoga and encouraged participants to adopt a healthy lifestyle. The event demonstrated the power of yoga in promoting physical, mental, and emotional well-being.

Event Name: Ye Dewali with MY BHARAT: Traffic Traffic Volunteering and related Awareness.

Event name – Traffic volunteering

Event Date - 28/10/2024

Event place - Thakurnagar Railway Station Bazar

Organized by: National Service Scheme (NSS) Unit, P. R. Thakur Government College.

Event Description:

On October 28, 2024, the NSS Unit of P. R. Thakur Government College conducted a traffic volunteering campaign at Thakurnagar Railway Bazar as part of the Diwali With My Bharat program and the Ye Diwali My Bharat Wali campaign. This program sought to aware of the traffic rules and its' importance.

Objective:

To conduct a traffic volunteering activity and promote awareness about traffic rules and road safety.

Activity Details:

1. Participation: 30 NSS volunteers participated in the activity, along with local traffic police personnel.
2. Traffic Management: The volunteers assisted traffic police personnel in managing traffic flow at major intersections.
3. Awareness Campaign: The volunteers held placards with slogans and messages promoting traffic rules and road safety.

Placard Slogans:

1. "Follow Traffic Rules, Save Lives"
2. "Wear Helmet, Wear Safety"
3. "Don't Drink and Drive, Stay Alive"
4. "Respect Pedestrians, Respect Life"
5. "Obey Traffic Signals, Ensure Safety"

Impact and Outcomes:

1. Improved Traffic Management: The volunteers' assistance helped to improve traffic flow and reduce congestion.
2. Increased Awareness: The awareness campaign reached a large number of commuters, promoting traffic rules and road safety.
3. Community Engagement: The activity fostered community engagement and participation, promoting a sense of social responsibility and civic engagement among participants.
4. Reduced Traffic Violations: The activity helped to reduce traffic violations, such as reckless driving and not wearing helmets.

Volunteer Feedback:

"The traffic volunteering activity was a great experience. We were able to make a positive impact on the community and promote road safety." - NSS Volunteer

Conclusion:

The NSS traffic volunteering activity was a successful event that promoted traffic rules and road safety. The activity demonstrated the power of community engagement and social responsibility in improving road safety and reducing traffic violations.

Event Name: Ye Dewali with MY BHARAT: Market Cleaning and related Awareness.

Event name - Market cleaning

Event Date - 28/10/2024

Event place - Thakurnagar Railway Station Bazar

Organized by: National Service Scheme (NSS) Unit, P. R. Thakur Government College.

Event Description:

On October 28, 2024, the NSS Unit of P. R. Thakur Government College conducted a cleanliness campaign at Thakurnagar Railway Bazar as part of the Diwali With My Bharat program and the Ye Diwali My Bharat Wali campaign. This program sought to maintain the cleanliness of public areas while also creating a cleaner, greener environment.

Objective: To conduct a market cleaning activity and promote awareness about the importance of cleanliness and sanitation in public spaces.

Activity Details:

1. Participation: 35 NSS volunteers participated in the activity, along with local market vendors and residents.
2. Cleaning Area: The volunteers cleaned the local market area, including the streets, drains, and surrounding areas.
3. Activities: The volunteers swept the streets, removed garbage and debris, and cleaned the drains. They also distributed pamphlets and posters to raise awareness about the importance of cleanliness and sanitation.

Impact and Outcomes:

1. Cleaner Market Area: The market area was significantly cleaner after the activity, with a noticeable reduction in garbage and debris.
2. Increased Awareness: The activity raised awareness among local residents and vendors about the importance of cleanliness and sanitation in public spaces.

3. Community Engagement: The activity fostered community engagement and participation, promoting a sense of social responsibility and civic engagement among participants.

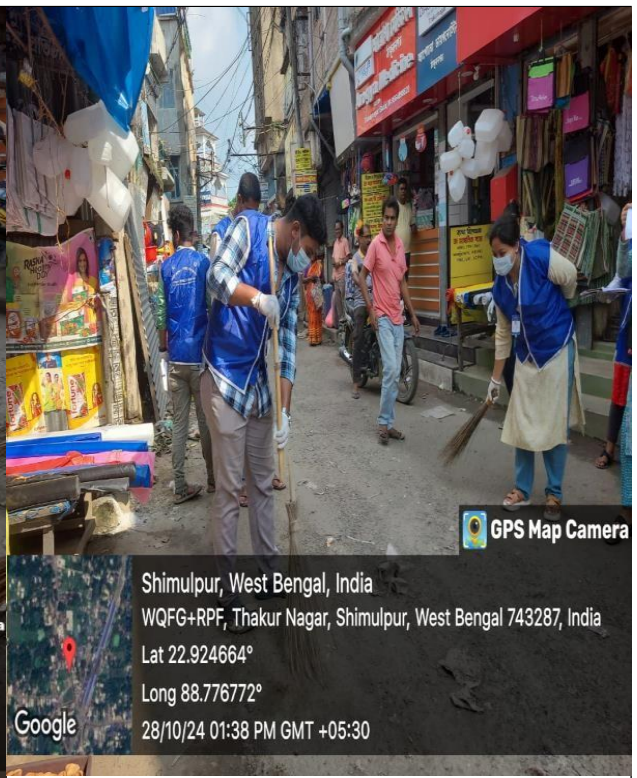

4. Improved Health and Hygiene: The cleaning activity improved the health and hygiene conditions in the market area, reducing the risk of diseases and health problems.

Volunteer Feedback:

"The market cleaning activity was a great experience. It was amazing to see the impact we could make in just a few hours." - NSS Volunteer

Conclusion:

The NSS market cleaning activity was a successful event that promoted cleanliness and sanitation in public spaces. The activity demonstrated the power of community engagement and social responsibility in improving the health and hygiene conditions in our surroundings.

Event Name: জাতীয় ভাট্টার দিবস - ২০২৫ দবতৰ্ক প্রদতযহাদিতা

Event Theme: দবদ ন প্রাহুক্তির লগ্যে দিবাকচি প্রক্তিযায়ৰ্ আযরা স্বচ্ছতার সযে সৰ্বত্র রাযে

ভা াঁযে ভিওয়া সম্ভব হযব। [With the help of various technologies, it will be possible to make the election process more transparent to everyone].

Date: 09.12.2024

Event Description: The National Voters Day debate forum is an integral part of the celebrations, aimed at encouraging young voters to participate in the democratic process. The forum provides a platform for students and youth to engage in discussions and debates on various topics related to democracy, voting rights, and civic responsibilities.

Debate Topics:

- **Democracy and Electoral Participation:** Participants discuss the importance of democracy and the role of electoral participation in shaping the country's future.
- **Voting Rights and Responsibilities:** Debaters explore the significance of voting rights and the responsibilities that come with exercising those rights.
- **Youth Participation in Politics:** This topic focuses on the importance of youth participation in politics and how it can contribute to a stronger democracy.

Objectives:

- To encourage young voters to participate in the democratic process.
- To create awareness about the importance of voting and civic responsibilities.
- To provide a platform for students and youth to engage in discussions and debates on democratic values and principles.

“Knowledge for Service”
NATIONAL SERVICE SCHEME

Event Name: 163rd Birth Anniversary of Swami Vivekananda named as National Youth Day 2025.

Partner Name: Ministry of Youth Affairs and Sports, Government of India.

Event Description: This event was organized by P. R. Thakur Government College NSS Unit on 23rd January, 2025. Objectives was to commemorate the birth anniversary of Swami Vivekananda and promote his ideals of youth empowerment, social service, and national integration. NSS Volunteers carried out various activities, which are enumerated below.

Activities Conducted: A rally was conducted on 13th January, 2025.

Rally Details:

- **Theme:** "Empowering Youth, Transforming Nation"
- **Route:** The rally started from the P. R. Thakur Government College campus and passed through the village's main streets, covering a distance of approximately 3 kilometers.
- **Participation:** Over 25 students, faculty members participated in the rally.
- **Placards and Banners:** Participants carried placards and banners with slogans and messages promoting youth empowerment, social service, and national integration.

Program Highlights:

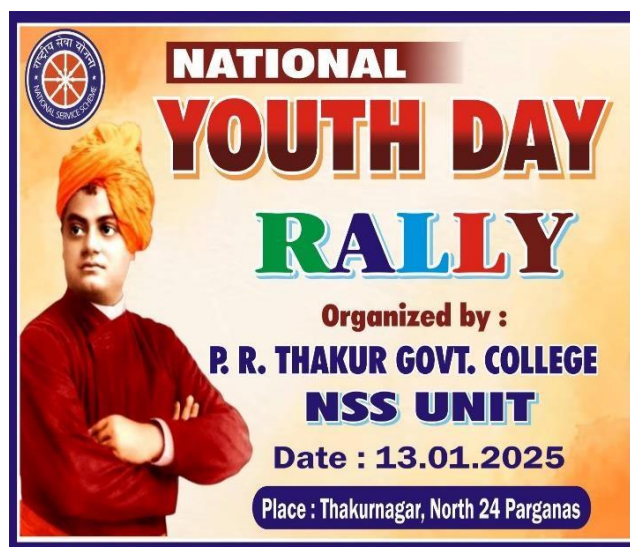

- **Inaugural Address:** The rally was inaugurated by the NSS Program Officer who emphasized the importance of youth empowerment and social service. Faculty members delivered speeches highlighting the significance of Swami Vivekananda's teachings and the role of youth in nation-building.

Impact and Outcomes:

- **Awareness and Sensitization:** The rally raised awareness and sensitized the local community about the importance of youth empowerment, social service, and national integration.
- **Community Engagement:** The event fostered community engagement and participation, promoting a sense of social responsibility and civic engagement among participants.
- **Inspiring Youth:** The rally inspired and motivated young participants to become active contributors to nation-building and societal development.

Conclusion:

The NSS Youth Day celebration rally was a resounding success, promoting the ideals of Swami Vivekananda and inspiring young people to become active agents of change. The event demonstrated the power of collective action and community engagement in promoting social cohesion and national integration.

Event Name: 128th Birthday of Netaji Subhash Chandra Bose.

Event Date: 23.01.2025.

Event Time: 10.00 AM Onwards

Event Description: This event was organized by P. R. Thakur Government College NSS Unit on 23rd January, 2025. NSS Volunteers carried out various activities, which are enumerated below.

Activities Conducted:

Flag Hoisting Ceremony:

The day commenced with a solemn flag hoisting ceremony at the college grounds, followed by a two-minute silence to pay tribute to Netaji. Students delivered speeches highlighting Netaji's life, his contributions to the Indian freedom struggle, and his inspiring leadership qualities.

Key Observations:

Enthusiastic participation by NSS volunteers and students in all the planned activities. Students showcased a deep understanding of Netaji's life and contributions through their speeches and presentations. The event successfully reignited the spirit of patriotism and encouraged students to emulate Netaji's courage and leadership qualities in their daily lives.

Report on NSS Special Camp, 2024-25

P. R. Thakur Govt. College

Introduction

The National Service Scheme (NSS) Special Camp for 2024-25 was organized by P. R. Thakur Government College from 21st April 2025 to 27th April 2025 in the adopted village of Pancila. This week-long camp, designed to instill social responsibility and service among students, focused on community development, health awareness, and environmental conservation. Under the guidance of the Programme Officer Mrs. Apala Chatterjee and the Principal Dr. Swapan Sarkar, the camp was planned and executed with precision, ensuring impactful outcomes. The planning and organizational duties were spearheaded by Mrs. Sucheta Mitra, Mrs. Anisha Sen, Ms. Saonli Patra and Dr. Muzaffar Sarkar Raju who coordinated the diverse activities and resource allocation.

Objectives of the Camp

1. Engage NSS Volunteers in activities promoting community welfare.
2. Conduct surveys to identify and address the needs of the adopted village.
3. Organize awareness campaigns on pressing social and environmental issues.
4. Provide hands-on training in community assistance and healthcare safety.
5. Foster teamwork, leadership, and civic responsibility among the students.

Programme Schedule and Activities

Day 1: 21st April, 2025 (Monday)

Inauguration and Initial Activities

- The camp began with an inauguration ceremony, attended by faculty, NSS volunteers and local villagers. The opening speech emphasized the importance of community service.
- **Tree Plantation Activities:** NSS volunteers and respected faculty members actively took part in the tree plantation program. NSS volunteers planted 25 native saplings (neem, fruit trees) around the campus and in the adopted village, with each volunteer pledging to care for their sapling.
- **Adopted Village (Pancila):** Collaborating with the village panchayat, 10 applauded the initiative, stating, *“These trees will benefit future generations and strengthen our bond with the college.”*

- **Tree Plantation Awareness Rally**

A vibrant rally marched through the village, featuring:

Slogans: Plant Trees, Save Earth! and “One Tree, One Life.”

- **Community Engagement:** Volunteers interacted with villagers, stressing deforestation risks and climate change. The rally concluded at the village square, where students performed a street play on ecological balance.

Snake Bite Awareness

Dr. Utpal Singha Roy, Asst. Professor of Zoology Department, delivered an impactful session in the college ground:

Key Insights:

- **Myths vs. facts** (e.g., “Not all snakes are venomous”).
- **First-aid tips:** Immobilize the limb, avoid traditional remedies.
- **Emergency protocol:** Contact local health centers immediately.
- **Interactive Demo:** A mock rescue operation using a dummy snake drew enthusiastic participation. Volunteers learned about the primary preventive measures of snake bite.

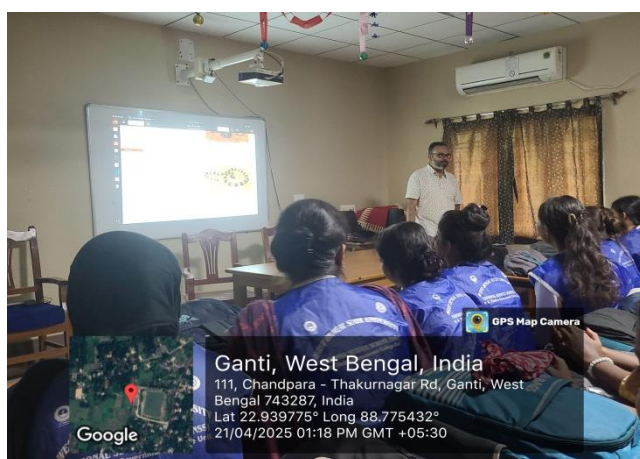

Conclusion

Day-1 successfully blended environmental stewardship and awareness of snake bite education, fostering collaboration between the college and Village ‘Pancila’. The enthusiasm displayed sets a positive tone for the remaining camp days, reinforcing the NSS’s commitment to societal well-being.

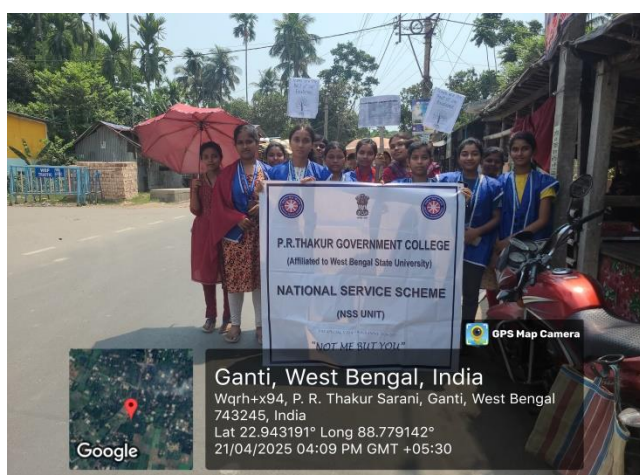

Tree Plantation Activities (21.04.2025)

Awareness Talk on 'Snake Bite' (21.04.2025)

Tree Plantation Awareness Rally (21.04.2025)

Day 2: 22nd April, 2025 (Tuesday)

a) PPT Presentation on Water Sampling Analysis; Water collected from the adopted village :

Presenter: Dr. Rini Roy, Head of Microbiology Department

A detailed presentation showcased findings from water samples collected earlier from Village 'Pancila':

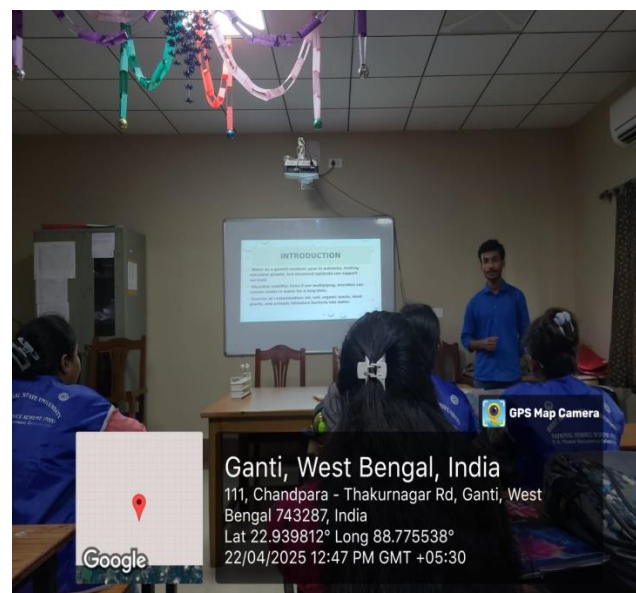

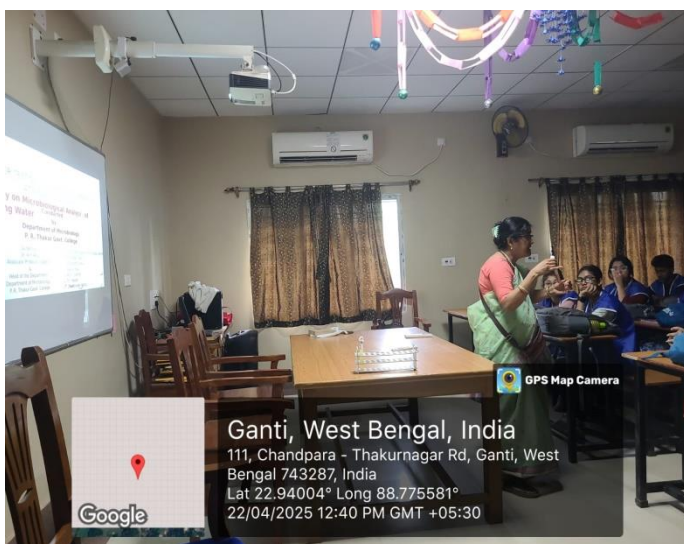

Key Parameters Tested: pH, turbidity, nitrate levels, bacterial contamination (E. coli), and Total Dissolved Solids (TDS).

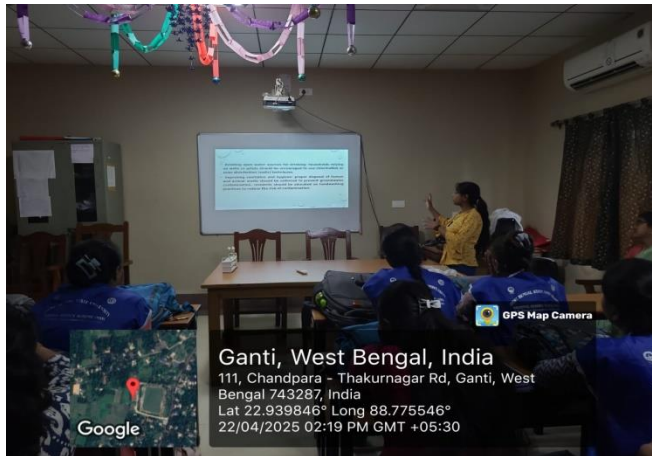

Findings:

- Contamination: 60% of samples showed bacterial contamination due to improper sewage management.
- High Nitrates: 30% of wells exceeded permissible nitrate limits (linked to agricultural runoff).
- TDS Alert: Groundwater in 2 hamlets had TDS levels above 900 mg/L, indicating salinity issues.

Recommendations:

- Promote low-cost bio-sand filters.
- Collaborate with the panchayat for periodic water testing.
- Conduct workshops on safe water practices.
- Audience Engagement: Villagers and volunteers participated in a Q&A session, addressing concerns about waterborne diseases.

PPT Presentation of the report on Water Sampling collected from the adopted village (22.04.2025)

b) Visit to the adopted village & NSS trained Volunteers' demonstration on 'Snake Bite' in the adopted village : -

NSS Volunteers demonstrated snake bite awareness to the village people on the adopted village.

• Highlights:

1. Field Demonstration:

First Aid Steps: Immobilizing the limb, avoiding tourniquets, and transporting patients safely.

Myth-Busting: Clarified misconceptions (e.g., “sucking out venom” is harmful).

2. Village Interaction:

Interactive Session: Villagers shared experiences, and NSS volunteers emphasized preventive measures (e.g., using torches at night, clearing debris near homes).

NSS trained Volunteers' demonstration on 'Snake Bite' in the adopted village (22.04.2025)

Conclusion: Day-2 bridged scientific analysis with grassroots action, addressing critical issues of water safety and public health. The proactive involvement of villagers and volunteers underscored the NSS's role in fostering community resilience. The day concluded with renewed energy to tackle sustainability challenges in the remaining camp days.

Day 3: 23rd April, 2025 (Wednesday)

a) Awareness Talk on 'Food Adulteration'

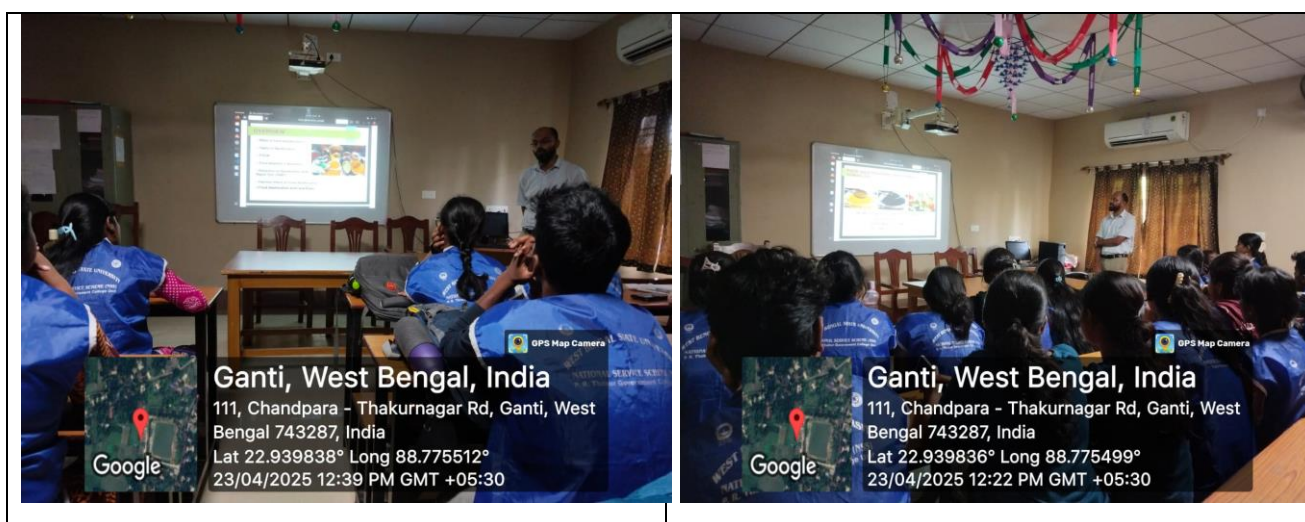

- Presenter: Dr. Subhra Kanti Mondal, Assistant Professor of Chemistry Department
- A critical session on food safety was conducted in the college ground, attended by around forty NSS volunteers, students, faculty, and villagers.

Key Highlights:

Common Adulterants: Highlighted adulteration in staples like milk (urea, starch), spices (brick powder in chili), and oils (argemone seeds).

Simple Detection Methods:

- Milk Test: Rub a drop between fingers – adulterated milk feels soapy.
- Turmeric Test: Add HCl to detect chalk powder (fizz indicates contamination).
- Health Risks: Linked adulterants to diseases like liver damage, allergies, and cancer.
- Legal Awareness: Explained FSSAI standards and encouraged reporting via Food Safety Helpline (1800-112-100).

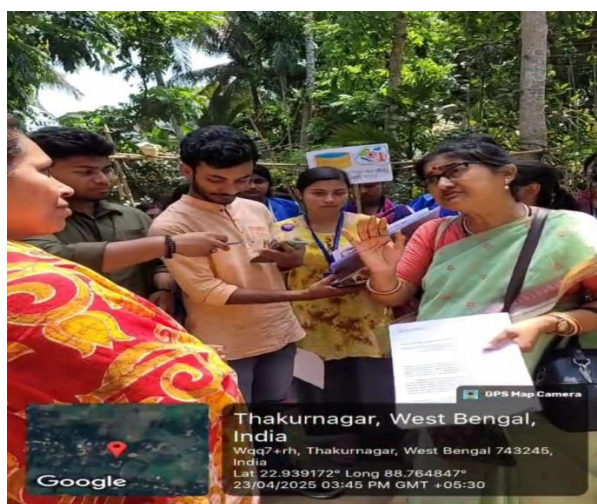

Awareness talk on Food Adulteration by Expert Teacher (23.04.2025)

b) Visit to the adopted village & NSS trained volunteers' demonstration on 'water sampling' collected from the adopted village

NSS Volunteers demonstrated on 'Water sampling' collected from the adopted village and told about its' various aspects to the village people.

Highlights & Outcomes

- Awareness Boost: Villagers gained actionable knowledge on water safety.
- Collaboration: Strengthened ties between the college and Village Pancila; panchayat pledged to address water issues.
- Student Impact: Volunteer Riya Das noted, "Seeing villagers take notes during the demo was deeply rewarding."

NSS trained volunteers' demonstration on 'food safety' and 'water sampling' collected from the adopted village (Date : 23.04.2025)

Conclusion

Day-3 focused on equipping the community with practical tools to tackle food and water safety challenges independently. The blend of scientific knowledge and hands-on training underscored NSS's role in bridging academia and grassroots action. With rising community participation, the camp moves closer to its goal of sustainable, self-reliant villages.

Day 4: 24th April, 2025 (Thursday)

a) Preparation of Posters & Survey Questionnaire

Activity Lead: NSS Program Officer Mrs. Apala Chatterjee

NSS Volunteers actively prepared posters and survey questionnaire for the upcoming events.

Preparation of posters and making questionnaire for survey (24.04.2025)

b) Survey of 'Dengue' Virus infection and knowledge and practices of 'Dengue' fever prevention in the adopted village

- Survey on Dengue Awareness & Practices
- Location: Village 'Pancila'
- Key Findings:

1. Awareness Gaps:

- 65% knew dengue is mosquito-borne, but only 30% could identify Aedes aegypti breeding sites (stagnant water in tires, pots).
- 40% believed myths like "Dengue spreads through physical contact."

2. Prevention Practices:

- 55% covered water storage containers; 25% used mosquito nets.
- 80% relied on municipal fogging, not personal preventive measures.

3. Community Feedback:

"We need regular clean-up drives in monsoon season." – Village people

Action Taken: Volunteers conducted door-to-door awareness, demonstrating "10-minute weekly dry-day drills" to eliminate stagnant water.

c) Expert Teacher's training to NSS Volunteers

Demonstration Highlights: NSS Volunteers learned how to prepare Questionnaire for survey regarding 'Dengue Awareness' Survey.

Future Plan: Regular Monthly visit to the adopted village by NSS Volunteers regarding 'Dengue' positive cases and awareness on it.

Survey of 'Dengue' Virus infection and knowledge and practices of 'Dengue' fever prevention (24.04.2025)

Learning of Questionnaire Survey Preparation by NSS Volunteers (24.04.2025)

Conclusion: Day-4 combined research, education, and grassroots action to tackle dengue and food adulteration. By equipping villagers with practical skills and scientific knowledge, the NSS fostered a culture of prevention and self-reliance. The synergy between volunteers, faculty, and the community underscored the camp's mission of "Service for Sustainable Change," leaving a blueprint for healthier, informed villages.

Day 5: 25th April, 2025 (Friday)

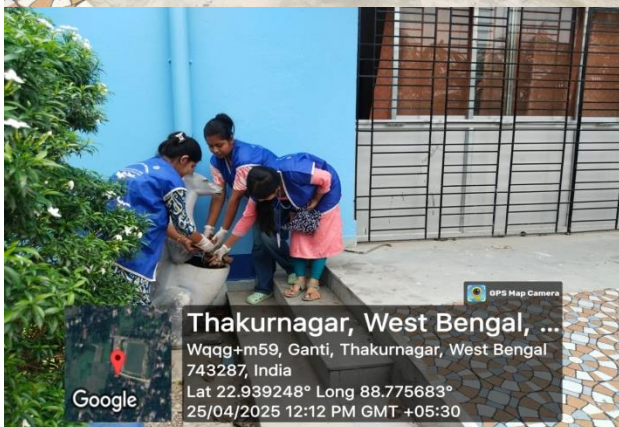

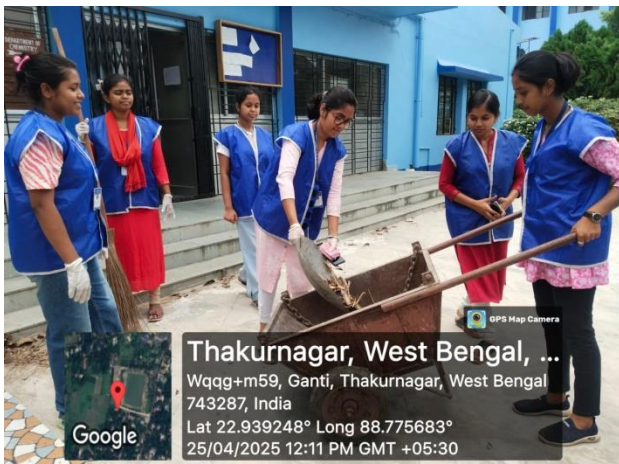

a) Preparation of Posters & Survey Questionnaire

- **Activity Lead:** NSS Program Officer Mrs. Apala Chatterjee

NSS Volunteers actively prepared posters and survey questionnaire for the upcoming events.

b) College campus cleaning programme by NSS Volunteers

NSS Volunteers actively participated in the cleanliness drive and collected 30 kgs of plastic waste from gardens and parking areas for recycling.

College campus cleaning programme (Date : 25.04.2025)

c) Awareness Rally regarding cleanliness in the adopted village

NSS Volunteers organized an awareness rally regarding cleanliness in the adopted village. They marched from the College ground to the adopted village. Their slogans was “Manage Waste, Drive Away Diseases” and “Say No to Plastic, Yes to Life!”. NSS Volunteers demonstrated waste segregation using household examples. They also presented posters while marching.

Awareness Rally regarding cleanliness in the adopted village (25.04.2025)

Conclusion: Day-5 reinforced the ethos of Swachh Bharat through action-oriented programs, transforming both the college campus and Village Sundarpur into models of community-led cleanliness. The synergy between students, staff, and villagers highlighted the power of collective responsibility in achieving sustainable development goals. As the camp nears its conclusion, the energy and commitment displayed promise lasting change.

Day 6: 26th April, 2025 (Saturday)

a) Preparation of Posters

- **Activity Lead:** NSS Program Officer Mrs. Apala Chatterjee

NSS Volunteers actively prepared posters for the upcoming events.

b) “Dengue Awareness” Programme by expert teacher in the college premises

Expert Speaker: Dr. Pabitra Saha, Head of Zoology Department

Participants: 50+ NSS Volunteers, students, faculty, and staff.

Key Highlights:

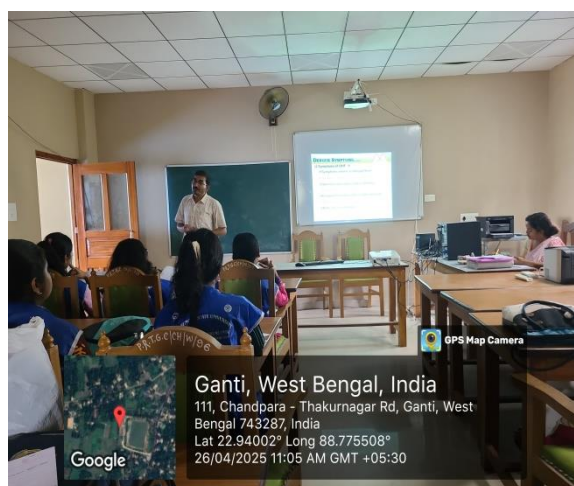

Dengue Awareness Camp: Dr. Pabitra Saha led a session on the prevention and control of Dengue, focusing on eradicating mosquito breeding grounds and adopting preventive measures.

1. Educational Talk:

- Explained dengue transmission, symptoms (high fever, severe headache), and complications (hemorrhagic fever).
- Debunked myths like “Dengue is contagious” or “Herbal oils repel mosquitoes.”

2. Preventive Measures:

- Emphasized the 4S Strategy: Search and destroy breeding sites, Secure self with repellents, Seek early diagnosis, Support fogging drives.

**“Talk on Dengue Awareness” by expert teacher in the college premises
(Date: 26.04.2025)**

c) Visit to the adopted village & NSS trained Volunteers' demonstration on 'Dengue Awareness' and necessary preventions against it.

NSS Volunteers inspected households, educated families on using mosquito nets and also demonstrated safe use of temephos granules in water storage tanks.

NSS trained Volunteers' demonstration on 'Dengue Awareness' and necessary preventions against it (Date : 26.04.2025)

d) Awareness Rally regarding "Dengue Prevention"

NSS Volunteers actively participated in the rally and marched with posters regarding Dengue prevention.

Awareness Rally regarding "Dengue Prevention" (Date: 26.04.2025)

Conclusion: Day-6 amplified the fight against dengue through creativity, education, and community mobilization. By merging scientific knowledge with grassroots action, the NSS empowered villagers to transform their environment into a dengue-resistant zone. The day underscored the power of collective effort, leaving a blueprint for sustainable health interventions as the camp nears its culmination.

Day 7: 27th April, 2025 (Sunday)

a) Preparation of Posters

- **Activity Lead:** NSS Program Officer Mrs. Apala Chatterjee

NSS Volunteers actively prepared posters for the upcoming events.

b) Visit to the adopted village & NSS trained volunteers' demonstration on "Food Adulteration Awareness" & necessary preventions against it.

NSS Volunteers demonstrated to the village people about some common adulterants (e.g. synthetic dyes in pulses, chalk in sugar) and DIY used in the food.

c) Awareness Rally regarding 'Snake Bite' control measures in the adopted village

NSS Volunteers organized an awareness rally regarding 'Snake Bite' control measures in the adopted village. They marched from the College ground to the adopted village. NSS Volunteers presented posters while marching.

NSS trained volunteers' demonstration on "Food Adulteration Awareness" & necessary preventions against it. (Date : 27.04.2025)

Awareness Rally regarding 'Snake Bite' control measures in the adopted village (Date : 27.04.2025)

Conclusion: Day-7 encapsulated the NSS's mission to safeguard communities through proactive education and skill-building. By addressing food safety and snake bite risks in tandem, volunteers bridged gaps between scientific knowledge and rural practices, fostering self-reliance. The enthusiastic participation of villagers and vendors marked a pivotal shift from fear to preparedness, solidifying the camp's legacy of sustainable impact.

Acknowledgments

This camp's success is attributed to the unwavering efforts of:

- Programme Officer: Mrs. Apala Chatterjee
- Planning and Organization: Mrs. Apala Chatterjee, Mrs. Sucheta Mitra, Mrs. Anisha Sen, Mrs. Mahua Patra, Ms. Saonli Patra, Dr. Muzaffar Sarkar Raju & Prof. Suman Sadhukhan.
- Principal: Dr. Swapan Sarkar
- Survey Lead: Mrs. Sucheta Mitra & Mrs. Apala Chatterjee
- Expert Facilitators:
 - o Dr. Subhra Kanti Mondal (Food Adulteration Awareness)
 - o Dr. Pabitra Saha (Dengue Awareness)
 - o Dr. Utpal Singha Roy (Snake Awareness)

Conclusion

The NSS Special Camp 2024-25 not only addressed vital community issues but also nurtured a spirit of service among students. The dedication and teamwork displayed by volunteers, faculty, and experts underscored the transformative power of community engagement. The camp stands as a model of how academic institutions can contribute meaningfully to societal development.
