They were felicitated with due respect.

This programme was divided into two halves. The first half consisted of illuminating lecture by Dr. Rakibul SK, Assistant Professor, Department of Sanskrit, P.R.Thakur Govt. College. The topic of his lecture was 'The Genesis of Indo-Western Syllogism.' He wonderfully put forward the characteristics of syllogism of both Indian and Western logic and made a comparison between the two.

The second half focused on Students Seminar. The students presented nicely on different aspects of Philisophy. Malini Roy from SEM 6 spoke on 'Reflections on the Value of Philosophy', Trisha Maitra from SEM 3 on 'The Importance of Methods in Symbolic Logic', Shankha Mondal and Sulekha Das from SEM 1 on Leibnitz's Monadology' and Descartes: I think, therefore I am' respectively.

The active participation and interaction of teachers and students of different Departments of the College put a special dimension to this programme. So on the whole, this programme was very successful and encouraging for the students.
